Musical Theatre Guild belongs to the following organization:

The Musical Theatre Guild of Butler (MTG), is a community-based organization specializing in the production of Broadway-style musicals. Founded in 1962, MTG has donated many thousands of dollars to worthy charities in the Butler County area. Major productions are presented in large auditoriums such as the Succop Theater at Butler County Community College.

MTG also presents smaller-scale musicals in the intimate setting of the William A. Lehnerd Performance Hall at the MTG Production Center in Butler's Memorial Park.

MTG provides opportunities for professional and amateur actors, singers, musicians, artists and dancers to work together on performances of Broadway-style musicals. Each June, MTG awards the Dot Pasqualichio Memorial Scholarship to deserving students who have participated in MTG shows. MTG has also sponsored Eagle Scout projects and participates in community-wide projects.

On a small Greek island, Sophie dreams of a perfect wedding — one which includes her father giving her away. The problem? Sophie doesn't know who he is! Her mother Donna, the former lead singer of the 1970s pop group Donna and the Dynamos, refuses to talk about the past, so Sophie decides to take matters into her own hands. Sneaking a peek in her mother's old diaries, she discovers three possible fathers. She secretly invites them to the wedding, convinced that she'll know her father when she sees him. But when all three turn up, it may not be as clear as she thought! Told through the legendary music of ABBA, Mamma Mia! has become a worldwide sensation that has audiences everywhere dancing.

There's a new tenant at Armadillo Acres—and she's wreaking havoc all over Florida's most exclusive trailer park. When Pippi, the stripper on the run, comes between the Dr. Phil-loving, agoraphobic Jeannie and her tollbooth collector husband—the storms begin to brew.

This wheel-spinning, mud-splattering good time of a show is the theatrical equivalent of a bag of Doritos. You can't get enough. Who could expect a thrillingly trashy Greek chorus of trailer park matrons whose hysterical musical stylings all but redefine the girl-group-as-cultural-commentator craze?
