

October 1, 2020

Greetings Friends of MTG:

We hope this letter finds you safe and healthy. The Board of Directors of the Guild has met numerous times, trying to plan a season for 2020 and 2021. Unfortunately, the lingering COVID-19 restrictions have made it necessary for us to make changes to our schedule. Our twice-postponed show, The Great American Trailer Park Musical, will now, hopefully, be presented next summer, July 9-11 and 16 & 17, 2021. School House Rock Live has been cancelled. We are disappointed that we are unable to present a show this fall but feel it is the responsible, community minded choice to make.

Since we will not be providing a staged show until at least next summer, MTG will not conduct a membership/season subscriber drive until next fall. If you purchased a season subscription for 2019/2020 and were unable to use your coupons, we will honor those coupons for the 2021 summer show.

We hope to collaborate with the Butler County Symphony Orchestra (BCSO) in the spring to present a concert version of Guys and Dolls on Sunday, April 11, 2021 at 3 pm. Tickets for this concert will only be available through the BSCO.

Even though our stage is dark, we must continue to pay our bills to maintain our production building in Butler Memorial Park, keep our insurance and pay for the other necessities of doing business. We hope you might consider a donation to help us keep the lights on. Please complete the enclosed form and return it with your donation. MTG is a federally approved 501(c)(3) chartered non-profit corporation. Donations are tax deductible.

We also plan to have a couple of fundraisers throughout the fall and winter to help defray expenses. Follow us on Facebook and stay up to date with our fundraising efforts.

Thank you for any donation that you are able to give MTG. Your generosity and continued support will keep MTG an integral part of the Butler cultural community through these challenging times. Until we meet again, stay safe and stay healthy.

Sincerely,
MTG Board of Directors
